CASE NO. 24- CR- 80116 AMC

UNITED STATES OF AMERICA

VS

RYAN WESLEY ROUTH

Defendant,

MOTION TO COMPEL DEFENSE DOCTORS EXPERT WITNESSES AND SUBMIT
DOCTORS' REPORTS UNDER SEAL

Defendant, Ryan Wesley Routh would like to compel the expert testimony of doctors Heather Holmes Psyd. and Rodolfo A Buigas PHD.. They are needed to provide invaluable evidence under Rule 404 2a- "...a defendant may offer evidence of the defendant's' pertinent trait." While I am told by my prior/standby counsel that the deadline for expert witnesses was March 28th, it appears to have been a gross oversight on the part of my prior appointed counsel to submit the very important findings of both doctors to the court and jury to fulfill Rule 102- "...to the end of ascertaining the truth and securing just determination." I apologize for the delay in submitting, but as the prosecution has submitted 45 experts, it seems only fair that I be allowed to have three for quick short testimony. The Buigas report is already under seal and I would request that the Heather Holmes report also be filed under seal. These are both highly trained doctors that do not need selling or defending and speak to -Intent, Intent, Intent. Subpoena and pay experts please.
